RE – LETTER OF RECOMMENDATION

This letter serves to confirm that Zeda Car Leasing (Proprietary) Limited trading as Avis Fleet has made use of the ESD services of 20/20 Insight over the course of numerous years to manage our ESD programme.

They provide advisory services on programme management and ESD Compliance. They also conduct diagnostic assessments in support of funding applications by the small businesses.

Our ESD programme has benefited from their input and services over the years, and we are happy to recommend them to other companies.

Yours Sincerely

PATRICK DAMON
